# Explore the Universe Oracle Training

## ROI

Our educational approach is designed to ensure our clients an optimal return on investment when deploying their projects.

## APPROACH

We offer all the services associated with training for a varied audience.

## VOCATION

Our objective is to strengthen our reputation on all the courses offered both in terms of technologies and solutions.

# Skills Center

# Why choose us ?

## CERTIFIED

- Training center approved by Oracle and the MFPE.
- Oracle Approved Education Center
- ISO 9001:2015 certified training center.

## CERTIFYING

A certification examination center approved by "Pearson Vue"; supports you, among other things, with Oracle certifications in accordance with the Oracle University certification program.

# Success Story

Gain credibility with your  
prospects!

*Oradist Team*

We had the opportunity to participate in training workshops with training consultants with extensive business experience. ORADIST shared the necessary theoretical and practical knowledge with our entire team.

**E. Missinhoun CIF – BURKINA FASO**

The strategic partnership between BNA and ORADIST dates back more than 20 years with more than a hundred employees having completed training. Thus, I strongly recommend the ORADIST training center for the quality of service, the educational skills acquired from their trainers and for the support throughout the learning process.
