Oradist Team

We had the opportunity to participate in training workshops with consultant trainers with extensive experience in business. ORADIST shared with our entire team the necessary theoretical and practical knowledge.

E. Missinhoun CIF - BURKINA FASO

The strategic partnership between BNA and ORADIST dates back more than 20 years, with more than a hundred employees having completed training. Thus, I strongly recommend the ORADIST training center for the quality of service, the teaching skills acquired from their trainers and for the support throughout the learning process.

H. Ayari BNA - TUNISIE

We have followed a training on digital transformation and strategic innovation, we have become familiar with many technical concepts and we have understood that we must cultivate digitalization and become familiar with this new technology in trot: the cloud, AI, cryptocurrency. This will allow us to make strategic decisions.

Secretary General CNSS - BURKINA FASO
